Locanda Don Serafino

Relais & Chateaux

The scenery is Ibla, Ragusa's historic center. Our hotel is situated right in the heart of baroque, inscribed in the *World Heritage List of UNESCO*, in a 19th-century mansion tastefully renovated.

It offers elegant and comfortable rooms, provided with all services. An enchanting place, with original stairs of stone of XIV century and 11 rooms, for those customers who wish to have a different unforgettable stay.

The **Michelin starred restaurant** *Locanda Don Serafino* is special too. Within easy walking distance, it represents a milestone, one of the best restaurants in Sicily for its food and wines.

Discovering what "hospitality" means for us, is of great interest for those tourists who appreciate beautiful things, a nice ambiance, a charming landscape, and excellent cuisine.

Hotel and Restaurant are members of Relais & Chateaux from 2017.
