Hotel Principe di Savoia

Welcome to impeccable service and authentic Italian charm. With its exceptional standards of hospitality and care, Hotel Principe di Savoia embodies the true spirit of Milan, where it has stood out as a landmark of luxury since 1896.

The hotel is an airy oasis amongst the urban landscape, located in the famous Piazza della Repubblica, where the ever-evolving skyline brings a modern spirit to the hotel's doorstep. Inside there's a symphony of eclectic rooms, each as individual as a fingerprint. These lavish examples of 19th-century design are rooms of stately elegance and Italian craftsmanship, carefully enhanced by modern touches.

Fine dining comes courtesy of chef Alessandro Buffolino, who brings his creative flair and innovation to Acanto Restaurant. For all-day dining, the heart and soul of the hotel is Il Salotto, the place to relax, meet over a fresh Italian coffee and watch the world go by. Nestled at the back is Principe Bar, known as the place to be in Milan. This opulent treasure is style personified, where intimate banquette seating, an awe-inspiring statement chandelier and a resident DJ invite you to nestle down for an evening to remember.

On the tenth floor, Club 10 Fitness & Beauty Center is a world of tranquillity with indoor swimming pool, state-of-the-art gym and a rooftop terrace, where a view of the new Porta Nuova district sparkles in the distance. This is the penthouse way to work out and relax.

Restaurants and bars

Acanto Restaurant

Spoil yourself with the impeccable, classic Italian cuisine created for the five-star Acanto by our talented head chef, Alessandro Buffolino, who combines a lightness of touch with innovative cooking techniques to present dishes of exceptional quality.

Design by Celeste dell'Anna, it is a joyous celebration of Italian design and expert craftsmanship.

The restaurant veranda overlooks a tranquil Italian garden with a delightful 18th century fountain - a visual delight to complement the culinary pleasures experienced at Acanto. Bathed in natural light throughout the day, the atmosphere of the restaurant is magically transformed in the evening as the garden is illuminated.

Il Salotto

The lobby lounge by Thierry Despont is a more welcoming entrance to this prestigious palace hotel and a crucial meeting point for the well-heeled Milanese and guests alike to enjoy an aperitif surrounded by sumptuous Italian furniture, classical paintings by famous artists such as Luca Giordano and a spectacular custom made Murano glass chandelier created by Barovier and Toso.

Principe Bar

With its trendy and innovative approach, which offers the best cocktails and music from 6.00pm till late, the Principe Bar is "light, sparkle, life, sensuous, glittering and radiant": just the place to be. The centrepiece of the room is a custom-made banquette that dramatically 'wraps around' a grand piano. The bar is a work of art in itself; sculpted tinted crystal with a back-lit mirrored wall to perfectly complement the light playing round the room.
