

IL SALVIATINO

firenze

Il Salviatino is a 15th century hand-restored villa nestled in the rolling Tuscan hills with spectacular views of the surrounding nature and beauty of the city of Firenze.

Guests are made to feel as if at home in their own private Italian villa, with all of the offerings and amenities of a five-star hotel.

Once at Il Salviatino all you have to do is reach out your hand to be able to touch, admire and experience Firenze.

SUSTAINABLE BY NATURE

The 12.5 acres of lush park surrounding the villa boast a new splash of color (and fresh flavors) with the property's organic orchard and vegetable garden.

Designed by a local arboreal archeologist dedicated to preserving dwindling varieties of fruits and vegetables, the garden is home to an extensive variety of seasonal Tuscan products.

DINING

The restaurant "La Terrazza" was designed with the intent to create a cuisine rooted in the most authentic fine Tuscan tradition. During the summer, tables are set up on the terrace overlooking Firenze and the dome, while on cooler evenings guests can dine in the library.

Curated experiences on the property grounds:

- Private candlelit dinner in the Italian garden
- Picnic in the park
- Chianti wine tasting
- Botany lessons
- Painting courses
- Yoga
