

A DREAM CALLED LAMBORGHINI URUS

Rome

Realize your dream and experience the thrill of driving the latest Lamborghini home.

The soul of a supersport and the functionality of a SUV: this is the new Lamborghini Urus, the world's first Super Sport Utility Vehicle. Visit Rome and stay at Baglioni Hotel Regina, in the heart of Via Veneto. Drive a Lamborghini Urus during your stay: the characteristic silhouette with the dynamic and fluid lines of a coupé emphasizes its supersport origins, while the exceptional proportions express strength, solidity and safety. Undoubtedly, the factors behind Urus' success are cutting-edge design, extraordinary driving dynamics and exciting performance. All these elements allowed Lamborghini to present the first Super Sport Utility Vehicle that would remain true to its DNA. Enjoy this incredible experience with us.
