FLAVOURS FROM THE ESTATE

With 4,200 verdant acres, it's no surprise that our estate provides us with a bounty of delicious natural products. From our grove of ancient olive trees, we produce the Castello di Casole extra virgin olive oil that enhances many of Chef Daniele Sera's specialities. Continuing a long winegrowing tradition, we still count a limited production of 6,000 bottles among our gourmet gems. Si di Si is a tempting red blend of our own estate grapes, Sangiovese, Petit Verdot and Cabernet. Furthermore, our industrious beehive bees produce an exceptional wildflower honey.

FAMILY FUN

Our hotel is perfect for family adventures or relaxing stays with your little ones. We offer children's menus and highchairs in the restaurants, a babysitting service on request and an array of activities, including horseback riding, painting classes and cookery lessons. Our new Kid's Club offers an unforgettable Tuscan experience, with a small animal farm, vegetable gardens and a playground. At the 'magic farm' children will learn how to tend to fruits and vegetables in an enchanting garden.
