

About Abercrombie & Kent

Abercrombie & Kent began on the plains of Africa, where Geoffrey Kent and his parents, Valerie and Colonel John Kent, pioneered a new style of luxury adventure travel in 1962. From modest beginnings, A&K grew into a globe-spanning network of companies, opening destinations previously inaccessible to visitors and establishing a new benchmark for experiential travel.

Today, we are the world's premier luxury travel company, with an unrivaled legacy of creating memorable, inspiring adventures in more than 100 countries on all seven continents. Our approach combines singular service, authentic local expertise and beyond-the-guidebook insider access, all of which come together to create a journey of a lifetime, every time you travel with us.

A&K has over 55 offices in more than 30 countries, a global family consisting of more than 2,500 dedicated travel experts. Chief among them are the Resident Tour Directors® who lead each group departure, providing unmatched on-the-ground expertise with A&K local guides contributing along the way. We offer everything from inspiring [small-group journeys](#) to [Luxury Tailor Made Travel](#), [Luxury Expedition Cruises](#) and [Private Jet journeys](#), and we are consistently recognized as the [gold standard for luxury travel](#) by professionals and guests alike.

Philanthropy has been an integral part of Abercrombie & Kent since our founding, and as A&K has expanded across the globe, our commitment to philanthropy has grown with us. Today, Abercrombie & Kent Philanthropy (AKP) partners with more than 40 local grassroots projects that positively impact lives and livelihoods in the communities where our guests travel.
