

SPA RESORT
SICILIA

Siculiana - Sicily

A jewel in the heart of the Mediterranean

Pure freedom. From the seashore to the horizon.

Salty breeze, pine trees, scent of oranges. Some places radiate a special power and magic. Places where we feel small and yet sublime. Where unspoilt land meets gently rolling waves and where time stands still in awe. The view sweeps over kilometres of sandy beaches through orange groves and Mediterranean gardens and on to the horizon, where the evening sun kisses the sea.

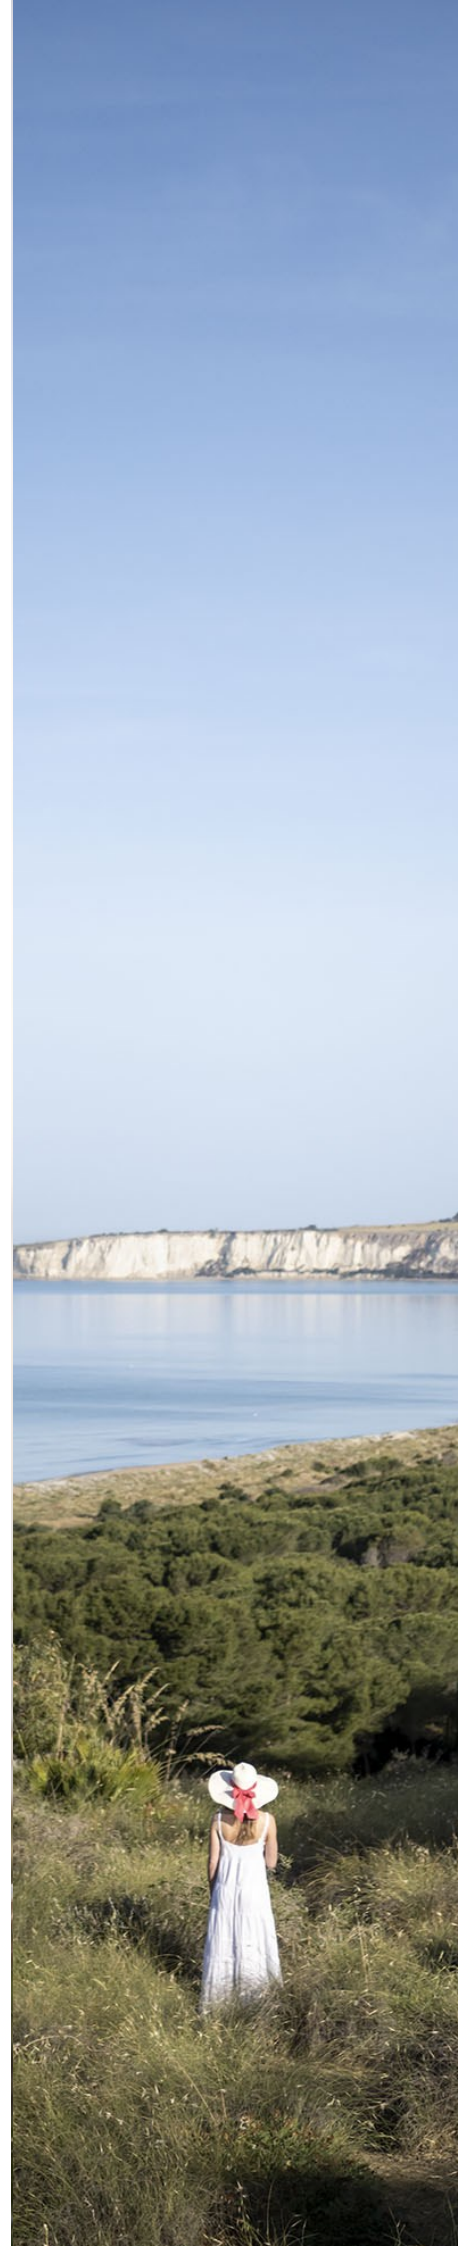

*This is where the **ADLER Spa Resort SICILIA** opened in summer 2022.*

LOCATION

The ADLER Spa Resort SICILIA is located in an exclusive area overlooking the sea in Siculiana (Agrigento) on the southwest coast of Sicily. The resort borders the Torre Salsa Nature Reserve, one of the most famous protected areas of the island. It stands 300 m from the sea on a hill 80 m above sea level in a panoramic spot with direct access to a fine sandy beach, sheltered by a typical Mediterranean pine forest.

The hotel is managed by the ADLER brand and is built according to the principles of **sustainable architecture**. The project involves the construction of several single-storey buildings, perfectly integrated into nature with minimal impact on the surrounding landscape.
