

Built-in 1968, the *Gabbiano Azzurro Hotel & Suites* celebrates its 54th Anniversary in 2022 under the successful management of 3 generations of the Datome Family, owners of the Hotel since its foundation. Surrounded by the sea on 3 sides, it offers a relaxing holiday vibe and stunning sea vistas from most of its common areas and rooms.

Guests love it because of the warm attentiveness of the staff members, some of whom have been working there for more than 30 years. Their priceless ability to make you feel at home with their pampering kindness is the cherry on top of the stunning location at sea.

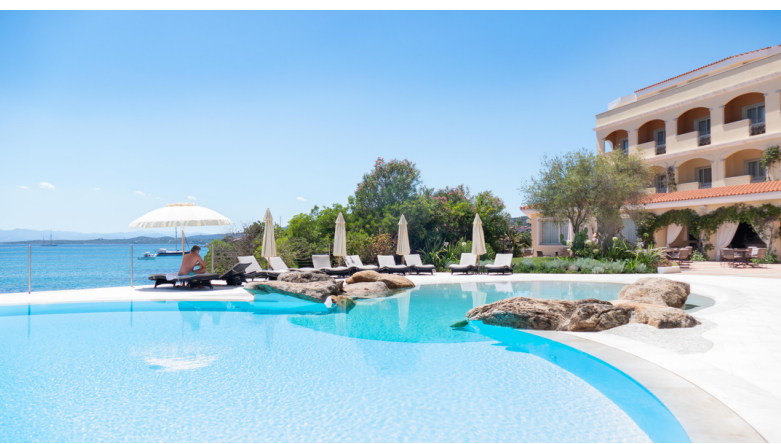

The main building (3 floors), served with 2 lifts, is developed on the rocks to embrace the horizon and it offers all the beauty of the sea and its natural surroundings to all of the rooms. A separate building, entirely dedicated to the Suites, personalizes the service for a very special holiday.

Gabbiano Azzurro Hotel & Suites offers Comfort rooms, plus Superior Rooms and 6 Junior Suites with more facilities and a white, light-flooded ambiance. All of these rooms have a private balcony with sea or village view.

In the building dedicated to the suite rooms, served by a lift, one can find 5 Charming Suites, all on the ground floor with direct access to the main pool, and 2 Luxury Suite on the 1st floor. All of these 7 Suites offer a wide-open sea view and they all come with 2 bedrooms with independent entrances, 2 bathrooms, a living room, and a private balcony or terrace.

5 brand-new Suites occupy the 2nd floor of the separate building, **each with its own private pool on the rooftop terrace.** 3 of these brand-new Suites have one open-space bedroom with a bathtub in the room and a separate bathroom with a wide crystal shower cabin. The other 2 Suites offer 2 bedrooms and 2 bathrooms with independent entrances.
