

## **Starhotels enriches its luxury portfolio with the Hotel Gabrielli in Venice**

**The hotel group chaired by Elisabetta Fabri continues its growth strengthening its presence in Venice and on the luxury hospitality market with a new 5-star property that joins Starhotels Collezione**

*Venice, January 19th, 2022.* Starhotels continues to invest in Italy and pursue its ambitious development plans, reconfirming its natural vocation for high-profile Italian hospitality.

The brand Starhotels Collezione, which in Venice already boasts the fascinating hotel Splendid Venice, located between Rialto and Piazza San Marco, is now enriched by the Hotel Gabrielli, a historic Venetian property that dates back to 1856 that has been owned and managed by the Perkhofer family from opening till date.

The location is extraordinary: located on Riva degli Schiavoni, a few steps away from Piazza San Marco, with a breathtaking view of the island of San Giorgio Maggiore and the San Marco lagoon.

The hotel is embellished by a unique 14th century Venetian-style façade and occupies three historic buildings with 69 rooms and suites and 7 serviced apartments.

In addition, a large garden of about 600 square meters and internal courtyards, a SPA, a private dock, a terrace with a spectacular view, a ballroom that is much appreciated by locals, as well as a variety of food & beverage outlets.

The hotel will become part of Starhotels Collezione thanks to a property rental agreement. The Perkhofer family has appointed Starhotels for the management of the hotel to guarantee continuity and tradition. The choice to pass the baton to Starhotels has been pursued by the owner family, which places great trust in the Group given we share the values of a historically family-run business.

The restoration already started and has a value of more than 20 million euros. The property will reopen in summer 2023 as a 5-star hotel and a new landmark in the lagoon city.

*"If there is a destination in Italy that best represents Italy's great beauty and resilience, it has to be Venice" comments Elisabetta Fabri, President and CEO of Starhotels. "For this, I am very happy to announce the further growth of our luxury hotel collection with the historical Hotel Gabrielli, a jewel that belonged to the same family since 1856. This family has now chosen to entrust its management to Starhotels. It's a great honour that we have been selected among many international hotel groups, and I'm certain that we will give new life to the property, achieving extraordinary results, which distinguishes Starhotels' management."*
