

XO private Hotel Byron

A union of atmospheres, memories, colours and passions are relived throughout the historic villa of Hotel Byron. Originally constructed for the Duke of Zoagli, the charm and elegant style of the villa appealed to the aristocracy of the time.

Surrounding the villa is the chic seaside town of Forte Dei Marmi, full of ancient splendour and contemporary design. Spend the day exploring the picturesque villages of the Cinque Terre by our private yacht or enjoy an exclusive visit to one of the most prestigious cellars for a bespoke wine tasting. The striking town of Lucca is a true gem of a medieval walled city and is only about half an hour by car from the hotel, with Pisa also being a mere 30 minute drive! A short distance from the hotel you will also find the artistic and historical town of Pietrasanta.

Charming, elegant and an ode to nature, the resort offers the best bits of Italy, lathered in luxury.

Hotel Byron sits in an attractive garden with pool and decking area. The beach is directly in front of the hotel, so all rooms have a wonderful view of the sea and the Apuan Alps.

Completely refurbished with care last summer, each room establishes the bond of time for the guest. Colours, materials, and style in every detail create their own, unique harmony.

All feature elegant décor with an alluring combination of colour tones and luxurious fabrics and other materials, complemented by an endless array of opulent details, such as brushed-linen sheets, in the ultimate expression of Italian comfort, quality and style.

Dine under the Tuscan stars at a Michelin-starred restaurant, led by award-winning chef, Cristoforo Trapani. Guests enjoy the finest haute cuisine here, created with the freshest, local ingredients.
