HOTEL VANNUCCI

Owned by the Chairman Roberto J & Veruschka Wirth, fifth generation of a famous dynasty of hoteliers, Hotel Vannucci offers 30 rooms, all individually decorated with a unique and refined style.

ELEGANCE AND REFINEMENT

The historic Hotel Vannucci was founded in 1903 in Città della Pieve the birthplace of one of the most important painters of the Italian Renaissance, Pietro Vannucci, known as "Il Perugino", the master of Raffaello.

The hotel is located in the centre of Città della Pieve, a stone's throw from churches, museums, small typical shops and from the weekly market. Città della Pieve is easily accessible from Perugia, Rome and Florence (A1 motorway exit at Chiusi for those arriving from the north, or Fabro for those travelling from the south).

The hotel is therefore in a strategic position, ideal for visiting Umbria and Tuscany: from Lake Trasimeno to Assisi, from the Val D'Orcia to Siena and Florence.

RISTORANTE ZAFFERANO

A GOURMET DESTINATION BETWEEN UMBRIA AND TUSCANY

"Ristorante Zafferano" featured in the Michelin Guide, takes its name from the prestigious flower grown in Città della Pieve; here you will have the opportunity to taste typical traditional dishes.

The restaurant staff will be happy to guide your choices, ably advising you according to your desires and curiosity about the culinary tradition of the location.

Let's not forget the fine wine list, both Umbrian and national, with which you can accompany your dishes, for a complete sensory journey. We are pleased to offer personalised menus for special events or tasting dinners to guide you to the discovery of the scents and flavours typical of this special corner of Italy.

When evening falls, in the warmth of a summer evening, you can relax while sipping a delicious aperitif in the outdoor areas or by the pool. And to

enhance the pleasures of the palate, do not miss dinner at La Pergola: a journey through the authentic flavours of this rich and generous land. During the colder months, the Zafferano room moves into this beautiful historic residence; the restaurant has been completely renovated in a modern style but with a classic tone.

COOKING CLASS

Chef Vito Quarto will make you the protagonists of an unforgettable experience at the end of which you can enjoy your original creations in the pleasant atmosphere and comfort of the Culinary school inside Villa Wirth . The cooking courses are aimed both at those who wish to broaden their knowledge of local culinary traditions, and those who simply want to have fun with cooking.

Booking is mandatory, and places are limited (maximum 10 people).

WINE TASTING AT “CANTINA VITTORIA”

Are you a wine enthusiast? Then you are in the right place...

In the cellar of the Hotel Vannucci we organise wine tastings with a selection of the best wines of the area.

A few km from Città della Pieve you can also reach Montalcino, Montepulciano and discover the most famous wineries surrounded by the greenery of Val di Chiana and Val d'Orcia.
