Our partners

Galleria Russo

Artistic works enrich Elizabeth Unique Hotel's public spaces and rooms. Their curator is Fabrizio Russo, owner of the historical Russo Art Gallery on via Alibert, a few steps away from Piazza di Spagna. The protagonists of the collection are Italian artists.

Art installations are on sale.

Our team will be happy to schedule a dedicated tour with an art guide inside the hotel and at the Russo gallery to get to know the artists' works.

Enrico Serafino

Since 1878, Enrico Serafino has been a family winery crafting artisan wines like you would make for your beloved. This careful dedication to quality comes from the vineyards spread in the UNESCO World Heritage wine region of Langhe-Roero and Monferrato.

We share the same values and appreciate their sustainable approach and meticulous execution. Choose their best bottles in our wine list.

Essenzialmente Laura

One more highly valuable partner is Laura Tonatto, creator of a custom-made collection for Queen Elizabeth II, who crafted Bellatrix, an exclusive fragrance for the Elizabeth Unique Hotel, which gives a recognizable and "unique" flair to our toiletries.
