★ ★ ★ ★ ★

The story of Hotel Le Fontanelle begins in 2006, with the opening of an ancient 13th century Tuscan estate in the heart of the Chianti Classico region.

We have created a property of enduring value styling superior design and finishes; every single detail at Hotel Le Fontanelle has been thought to preserve the elegant and refined atmosphere, from fine cotton bedding to the cotto interiors, to stunning views.

You will find Tuscan beauty in every corner.

Hotel Le Fontanelle strives to satisfy the needs and desires of all guests.

To custom-build and express an extraordinary experience to make them feel at home at any time.

Our greatest asset is our professional staff and our high quality service.

Wine & Dine

From Tuscan tradition to perfection in an elegantly pure style.

Wine & Dine

Wake up to a traditional Tuscan breakfast. A wide variety of items is offered at breakfast including freshly baked pastries, croissants and breads, fresh fruits and juices, egg specialties, cheeses and cured meats.

The Lounge Bar has an authentic and intimate styled setting. A warm atmosphere to take time and refresh within the inviting lobbies. Savor our coffee and tea specialties, taste our selection of soft drinks, wines and cocktails throughout the day.

For lunch and dinner, authentic Italian cuisine is thoughtfully prepared featuring local flavors and products by Chef Francesco Ferrettini and his team.

Located on the ground floor of Hotel Le Fontanelle, the Restaurant La Colonna features elegant, traditional decor overlooking the most enchanting Chianti hills.

Without overlooking any detail, Hotel Le Fontanelle offers an in-room dining service by bringing the gourmet cuisine of the Restaurant La Colonna to your room.

Choose from the à la carte menu ideal for a romantic and private dining.

A few steps away, our Belvedere Terrace will head you into a unique sensational open-air dining experience. In the charming gardens, overlooking the swimming pool, surrounded by alluring flowers and shapely olive trees, that will provide shade on hot summer days, the chef suggests a lighter but traditional menu in a completely revisited formula.

Our Maître Vittorio Terracino and his team will lead you through an amazing experience, catching all of your senses, showcasing our exceptional Vallepiciola wine production and original regional specialties.

Furthermore, we recommend you the visit of our exclusive Vallepiciola cellar.

You will see and learn more about the production of our fine Chianti Classico wines throughout the guided wine-tasting tour.

THE HEALTHCLUB

Relax in the elegant indoor treatment room, just aside the Belvedere Garden.

Find your longstanding pleasure.
