**Excess Venice Boutique Hotel & Private Spa\*\*\*\*** - Set in a 15th-century building, Excess Venice is located in Venice's tranquil and lovely Sestiere of Dorsoduro, far from the crowd of tourists but just a few steps from both the Basin of San Marco on the lagoon and the vibrant Campo San Barnaba. The San Basilio waterbus station with links to St. Mark's Square is only a 2-minute walk away.

The new hotel, completely renewed by the Locandiera Elisabetta Dotto in 2019, is a little gem with 16 rooms ranging from tiny standard rooms on the penthouse floor to the large and luxurious suite with private spa on the noble floor. Suites have a spa bath and overlook the canal, the beautiful church of San Sebastiano or the magnificent Italian garden with lemon trees and a relaxing quiet lounge area.

Breakfast is served buffet style inside or outside. It includes both sweet and savoury food such as cold cuts, cheeses and cakes, together with juices and hot drinks. In the surroundings, you will find authentic Venetian restaurants and cafés. Ca'Foscari University and many artistic galleries are present in the neighborhood. Recently opened inside the hotel a cocktail bar with food pairing that offers music on the weekends.

**Ambra Cortina Luxury & Fashion Boutique Hotel\*\*\*\*S** - The most glamorous fashion luxury boutique hotel in Cortina d'Ampezzo is located at a stone's throw from the centre of the little town, the iconic belltower and the main shopping way, Corso Italia. The hotel offers to its guests 24 rooms divided into: the 5 Luxury Roof Rooms Afrodite, Hockey, Tabià, Tofane and Olympia, furnished with antiques and pieces of local craftwork, 11 Superior Emotion and Relax rooms with canopy bed, double shower or double airpool bath tub and balcony. Finally, the 8 Classic rooms divided into the themes: Cinema, Fashion, Nature and Theatre.

The rooms are equipped with whirlpool tub and double steam showers, four-poster beds and refined furniture. The original concept of furniture celebrates *Nature*, in particular the Boite river that waters Cortina, *Cinema* – with Il Conte Max (Count Max) – to feel like the movie star of a timeless classic, and *Theatre*, with a tribute to the mischievous Mirandolina, The Mistress of the Inn, by Carlo Goldoni. Lastly, *Fashion* rooms of our hotel in Cortina will surprise and seduce you: a room covered with sensual fur, soft fabrics and brocades for bed, armchairs and pouffes.
