ONLY GOOD ENERGY

• From renewable sources. A commitment over the years. Made up of a thousand details.

And authentic results. Like in 2023, when we were awarded as being
the most sustainable independent hotel group in the world at the World Travel Awards.

It's all on hotelvalledellerica.com under WE ARE GREEN®.

BRING
WITH
YOU.

Bring your curiosity. And get ready for memorable sea excursions aboard the Pulcinella,
a sailing ship about to celebrate its centenary, or with motorboats all ready for you.
To discover the islands of the La Maddalena Archipelago or the French Archipelago.

IF
HISTORY.

If history has reached us, then we too can visit it.

With our tours, you'll experience the charm of timeless archaeology
like the Nuragic civilization, and discover villages still rich in traditions, art and craftsmanship.
In a land that, for many, embodies the myth of Atlantis.

An aerial photograph of a stunning coastal landscape. The water transitions from a deep, dark blue in the distance to a vibrant turquoise and emerald green near the shore, revealing the rocky seabed. Several large, rugged rock formations are scattered throughout the water. In the bottom right, a small, crescent-shaped sandy beach is visible, bordered by green vegetation. The sky is a clear, bright blue with a few wispy clouds on the horizon.

THEY SPARKLE.
THEY SHINE . And they are never the same.

The colors of this sea are an explosion of emotions,
with a turquoise that makes the heart beat faster and a blue that brings freshness.

WHAT IS WELL-BEING?

What is well-being? For us, it's walking amidst untouched nature, authentic and genuine food, thoughts under a clear sky.

And then our Thalasso Centers, where you can feel rejuvenated with seawater and natural treatments.

IT'S
VAST.

It's vast, it's splendid, it's full of blue. It's monumental and real at the same time.

And it doesn't leave. This sea is waiting for you. And we help you enjoy all its beauty.

SILENCE.

To our 5 Stars, we've added the utmost freedom.

SEA.

And intimacy with nature. With only the company of what we offer.

And all the sky you desire.

LIVING IN A PANORAMA.

Living in a panorama. Which you can discover right from the first day,
if you wish, arriving by helicopter.

Then continue, falling in love with the La Maddalena Archipelago
or a hidden bay, the park around the hotel, or the suites with their own pool.

A PARADISE WITHIN.

A paradise all around, a paradise within. Getting out of a pool that's just for you,
going into suites where privacy is magic, and discretion is an art:
spaces enveloped by scents, bathed in light and cosseted by the joy of living.

THE ROOMS TELL STORIES.

The rooms tell stories. With a basket, they talk about craftsmen and women;

with a rug, they illustrate traditions.

Make yourselves comfortable among handmade ceramics and wrought iron furnishings: an age-old story awaits.

HOW MANY BAYS.

How many shades of blue? And how many bays to discover,
created by wind and waves and then ready just for you? Here, going to the beach means enriching the senses,
surrendering to the sweetness of Nature, celebrating pure joy.

WHERE
EACH.

Where each moment has its own flavor. And everyone has their own way of relishing that moment.
Because here, relaxation is a daily pleasure.

No distance between you and Nature. Nor between you and well-being.
Immersed in the breeze and the light, caressed by the warmth of heated seawater and the Thalasso jets,
in a SPA nestled among granite rocks.

YOU AND
WELL-BEING.

TO WELCOME
MEANS.

In this land, to welcome means to take care of.

And to take care of means speaking through the delicacy of gestures,
the precision of timeless skills, the taste of an authentic dish, or a rejuvenating massage.

SMALL AND BIG EVENTS.

Top quality, the utmost liberty. Valle dell'Erica is a theater of small and big events for the palate:
from a barefoot dinner on the beach to a pastry shop tended with passion,
from Mediterranean cuisine to the catch of the day with its timeless flavors.

The agave embroiders the sky, and with its slender body it points to the landscape, the islands and the surrounding archipelago.
It's the perfect symbol of Nature that is dearly loved,
which lives here in harmony with people and things, with the pool and the waterfalls.

EMBROIDERS
THE SKY.

EVERY BAY A DISCOVERY.

Every bay a discovery, every dish an emotion.

Within a real world, on a private beach, living days to be remembered for ever.

IT'S CALLED ERICALAND.

That means experiences for the little ones.

Entertaining, authentic, in a well-controlled and pristine environment.

SMALL GREAT ADVENTURES.

It's time for small great adventures. It's time for playgrounds, sports areas and outdoor spaces.

Fully equipped mini and baby clubs. In short, it's time to have some serious fun.

PUT
YOUR HEART
ON THE
BOAT.

and our skippers who know this blue by heart.
